About NCTRC Certification

The CRTS designation is an important and visible credential within the current health care market. It is recognized nationally as the benchmark of quality, enhancing the protection of the consumer and the provision of safe and effective recreation therapy services. The benefits of the NCTRC credentialing program are evident within a wide variety of markets and can be summarized as follows:

- NCTRC Certification Standards are based on the knowledge and skill necessary for practice within a wide range of service sectors as verified by national job analysis research.
- Each CRTS has met rigorous professional eligibility requirements and has passed a national certification exam.
- Each CRTS completes a recertification program designed to measure continued competence in order to continue to hold the credential.
- Each CRTS must adhere to NCTRC's professional practice and disciplinary requirements.

The CRTS credential opens the spectrum of health care performance service delivery. Recreational therapists who are NCTRC certified work with a variety of populations and in a diversity of settings.

Benefits to Employers

The employment of a CRTS enhances the health care consumer's receipt of professionally delivered recreation therapy. The CRTS is well trained to significantly contribute to the therapeutic delivery system. It is well documented that CRTSs increase both the effectiveness and efficiency of routine care in comparison to noncertified individuals.

- In health care settings where professional credentials and training are the benchmarks of quality, the CRTS is recognized as the highest level of certification within recreation therapy, providing value-added services that include:
 - Recognition as a rehabilitative service covered by governmental regulatory agencies and third-party payers
 - Extensive knowledge and skill-based training to enhance quality of care
 - Organized and team-oriented approach to care delivery
 - Multi-functional and diversified skill base to reach a wider spectrum of consumers
 - Training in group-oriented processes to enhance cost-effectiveness and efficiency in service delivery
 - Ability to handle greater professional responsibilities and authority
- Training and demonstrated abilities in core therapy skills including assessment, planning, implementation, documentation and evaluation.

NCTRC Dedicated to Professional Excellence

Established in 1981, the National Council for Therapeutic Recreation Certification (NCTRC) is a nonprofit, national organization dedicated to professional excellence for the provision of recreation through the certification of recreation therapists.

Professional recognition is provided by NCTRC certification, which applies and meets established standards for certification, including education, experience, and continuing professional development. The Certified Therapeutic Recreation Specialist (CTRS) credential is offered to qualified individuals based on these stringent requirements.

NCTRC supports quality health care and health care standards and maintains a working relationship with the Joint Commission for the Accreditation of Healthcare Organizations (JCAHO) and the Commission on Accreditation of Rehabilitation Facilities (CARF). NCTRC provides credential verification services to employers and health care agencies. These services are strongly encouraged by NCTRC to receive personal adherence to the standards of the Certified Therapeutic Recreation Specialist.

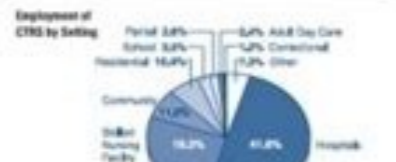

NCTRC is a charter member organization of the National Organization for Competency Assurance (NOCA). NCTRC is accredited by the National Commission for Certifying Agencies (NCCA).

For more information about NCTRC and to review current certification standards refer to our website at www.NCTRC.org

I immediately downloaded, and honestly expected some low quality, slow, hard to read app. With clear Hebrew and English type, a new translation, and complete, easy-to-read transliteration of the benching, kiddush, blessings, zemiros, and songs for all occasions, it is available with white, silver or full-color covers. Boy was I wrong, I've only looked through it and got so excited I needed to write a review (which I rarely do). Great job NCSY, and really, thank you so much. Kudos to all the team behind the scenes who created this amazing app.... With clear Hebrew and English type, a new translation, and complete, easy-to-read transliteration of the benching, kiddush, blessings, zemiros, and songs for all occasions. There's one key feature missing under settings - the ability to adjust the font. When I saw that you developed a nice app for Birchat Hamazon and prayers for after meals I was so happy. The songs are cute and I guess you included Shabbos and Yom Tov to help people learn, but personally I think you'd be better off omitting them so that people who don't know better aren't tempted to use this bencher on Shabbos. May be imprinted. Featuring recordings of your favorite Jewish songs by Aryeh Kunstler! The NCSY Bencher is immensely popular for use in homes, synagogues, schools, youth groups and camps, as well as for weddings, bar and bas mitzvahs, and other simchos. I've been a part of NCSY for two years now, so I get your promotional emails. Specially for Baal Teshuva who need help. Personally I find the font a bit small for my iPhone. Learn More Developer Website App Support Privacy Policy Feb 14, 2022 Version 1.0.6 Oh my gosh NCSY Gd bless you guys. And maybe it's me, but as much as I love the physical NCSY bencher, I find the same format somewhat cluttered here.
